Benefits of Affiliate Membership of the Irish International Freight Association

Affiliate Membership of IIFA is open to those companies and organizations who are not directly engaged in International Freight Forwarding services, but who do have an indirect interest in the industry and wish to develop that interest through membership of IIFA.

Affiliate Members have the opportunity to be linked to the pursuit of the standards outlined in IIFA's mission statement in its Three Year Business Plan.

“IIFA is committed to maintaining a professional organization which will reinforce the Forwarder's role in the Irish economy by influencing relevant decisions at political/ official level, and by providing professional training, regulatory standards, leadership and public awareness of, and confidence in the Forwarding Industry.”

The benefits of Affiliate Membership include;

- A link to IIFA – the recognized and authoritative voice of the Irish Forwarding Industry.
- Use of the IIFA logo.
- Advertisement space on every page of the IIFA website with a direct link through to your own company website.
- Access for staff to IIFA's Blended Learning/ Training course.
- Access to Seminars on Technical topics at special rates.
- Free copy of IIFA newsletter sent to your office.
- Regular update on Industry related legislation and regulations.
- Free advice and information.
- Membership Certificate.

To request an Affiliate Membership Application Package please contact the association directly on
