### **Benefits of Full Trading Membership of the Irish International Freight Association**

The Irish International Freight Association is the representative body and voice of the Freight Forwarders of Ireland. With over 100 Full Trading members we are in a strong representative position nevertheless as our number increase, so too does the strength of our representation.

Full Trading Membership is open to any corporation engaged in the business of freight forwarding and who employs staff who are sufficiently experienced in freight forwarding to manage such a place of business competently.

Benefits of Full Trading Membership include:

- Use of the associations' Standard Trading Conditions which can be incorporated into business contracts.
- Access to free advice and information from full-time staff of IIFA.
- Regular e-mail circulars keeping you up-to-date with changing industry related regulations and notice of pertinent events.
- Invitations to seminars on technical topics at special rates.
- Inclusion in the official list of IIFA Members on the association's website.
- Printed copies of IIFA Newsletter posted to your Head Office.
- Access to and use of the FIATA Bills of Lading.
- Use of the industry recognised IIFA Logo on company website and business stationary.
- A membership certificate signed each year by the current IIFA President.

As a member you will have the opportunity to influence the association's objectives.

To request a Full Trading Membership Application Package please contact the association directly on 01-845-5411.
